## ASIAN SYMPOSIUM ON ADVANCED GENERAL DENTISTRY

May 5, 2013 Marina Bay Sands Convention Centre  
Roselle Junior Ballroom 4711-4713 8 am - 6 pm

### CGDP-SJCD Inaugural Asian Symposium on Advanced General Dentistry

The College of General Dental Practitioner Singapore (CGDP) and the Society for Japan Clinical Dentistry (SJCD) have been in the forefront of organised dentistry dedicated to the advancement of clinical dental practice for the general dental practitioner colleagues in Singapore & Japan respectively.

SJCD founded in the 1980s have developed into the premier dental organisation for their membership of 1800 comprising of dentists, hygienists and dental technicians in Japan. While they hold numerous continuing education meetings in Japan, the next chapter is in the fostering of further cooperation beyond Japan.

CGDP was founded in 1999 with the similar objective of continuing education and representation of the general dentists' cause in Singapore.

It is with great enthusiasm that both organisations have come together to hold this inaugural Asian Symposium of Advanced General Dentistry in Singapore at the renown Marina Bay Sands Hotel on 5 May 2013.

The symposium seeks to explore and share advancements in dental clinical practice as well as relevant technological applications. In typical TED style, the podium will be shared by 10 dynamic speakers. We hope this can be a launch pad for future editions of coming together of like-minded dental organisations in the Asian region.
