

4TH CGDP IMPLANT SYMPOSIUM - 21ST TO 23RD NOVEMBER 2014

A separate registration form must be used for each participant. Please write in block letters and return completed form with payment (Cheque / Bank Draft ) to: "College of General Dental Practitioners Singapore", c/o 10 Collyer Quay #03-05 Ocean Financial Centre S049315. Email us: [info@cgdp.org.sg](mailto:info@cgdp.org.sg). Find us on our website: [www.cgdp.org.sg](http://www.cgdp.org.sg).

PARTICIPANTS DETAILS

Name	<input type="radio"/> Dr <input type="radio"/> Mr <input type="radio"/> Mrs/Ms	
Clinic/Institution	DCR (For Singapore Dentists Only)	
Mailing Address		
Postcode	State/Country	
Contact Number	<input type="radio"/> Dietary Restrictions / Requirements (Please state below)	
Email		
CGDP Member	<input type="radio"/> YES	<input type="radio"/> NO

I am interested in becoming a CGDP member. Please email me the membership form. Alternatively, please register online at [www.cgdp.org.sg](http://www.cgdp.org.sg)  
**Member's rate apply only for current membership. Please renew via [www.cgdp.org.sg](http://www.cgdp.org.sg) or by cheque.**  
**Ordinary / Accredited member :** Entrance Fee: \$150. Annual subscription : \$50  
**Student member :** Entrance Fee : Waived. Annual subscription : \$25. **Subscription upon graduation :** \$50

REGISTRATION FEE (IN SINGAPORE DOLLARS)

	Early Bird (Before 30th September 2014)		1st October 2014 onwards	
	CGDP Member	Non CGDP Member	CGDP Member	Non CGDP Member
Lectures only	<input type="radio"/> 1700	<input type="radio"/> 1880	<input type="radio"/> 1880	<input type="radio"/> 2080
Lectures + Workshop (Observation only)	<input type="radio"/> 2100	<input type="radio"/> 2340	<input type="radio"/> 2340	<input type="radio"/> 2600
Lectures + Workshop	<input type="radio"/> 2640	<input type="radio"/> 2930	<input type="radio"/> 2930	<input type="radio"/> 3250

REGISTRATION AND CANCELLATION POLICIES

Registration is on a **first come first served basis** and will be valid only **upon full payment**. CGDP reserves the rights to amend any part of the programme without giving prior notice and to cancel or postpone the programme, change the venue and date and time of the event. Cancellation must be made in writing or email to College of General Dental Practitioners. Cancellation received **before 21st October 2014** will be granted refund less SGD 100 administrative fee. There will be NO Refunds for cancellations from 21st October 2014 or non-attendance.

VENUE - GRAND COPTHORNE WATERFRONT HOTEL SINGAPORE

392 Havelock Road, Singapore 169663

# 4<sup>th</sup> CGDP Implant Symposium

## Implant Complications: Prevention and Management

### Where East Meets West

Dr MARIUS STEIGMANN

Dr HOM-LAY WANG

in Singapore

In Partnership With

Lectures - 14 CDE Points  
 Lectures + Workshop - 21 CDE Points

21<sup>ST</sup> TO 23<sup>RD</sup> NOVEMBER 2014 - GRAND COPTHORNE WATERFRONT HOTEL

# Implant Symposium Programme

Day 1 - 21st November 2014	
09.00 am 10.30 am	How to avoid common implant placement mistakes? (Dr. Wang)
10.30 am 11.00 am	Coffee Break
11.00 am 12.30 pm	Current trends in socket and bone augmentation (Dr. Wang)
12.30 pm 1.30 pm	Lunch Break
1.30 pm 2.30 pm	Soft tissue management around dental implants - I (Dr. Steigmann)
2.30 pm 3.00 pm	Coffee Break
3.00 pm 4.30 pm	Soft tissue management around dental implants - II (Dr. Steigmann)
Day 2 - 22nd November 2014 (14 CDE points for 2 day lectures)	
8.30 am 10.00 am	Current concepts in implant prosthetic designs to promote implant esthetics – I (Dr. Steigmann)
10.00 am 10.30 am	Coffee Break
10.30 am 12.00 pm	Current concepts in implant prosthetic designs to promote implant esthetics – II (Dr. Steigmann)
12.00 pm 1.30 pm	Lunch Break
1.30 pm 2.30 pm	Management of peri-implantitis (Dr. Wang)
2.30 pm 3.00 pm	Coffee Break
3.00 pm 4.00 pm	What should we be aware of when performing immediate implant placement? (Dr. Wang)
Day 3 (Workshop) - 23rd November 2014 (21 CDE points for lectures + workshop)	
8.30 am 11.00 am	Live video for socket/bone augmentation, immediate implant placement and management of peri-implantitis (Dr. Wang)
11.00 am 11.20 am	Coffee Break
11.20 am 12.00 pm	Live video for soft tissue management around dental implants, using prosthetic means to promote implant esthetics (Dr. Steigmann)
12.00 pm 1.30 pm	Lunch Break
1.30 pm 4.30 pm	<b>Hands On Exercise on Pig Jaws</b> <ul style="list-style-type: none"> <li>• Management of Implant Complications</li> <li>• Bone Augmentation: The Sandwich Technique</li> <li>• Soft Tissue Grafting Around Dental Implants</li> <li>• Prosthetic Manipulation for Implant Aesthetics</li> </ul>

**WORKSHOP**  
LIMITED TO 50 PAX ONLY

## Implant Complications: Prevention, Management and Workshop

This two-day lecture and one-day hands-on workshop is designed to help dentists deal with common implant complications: **soft tissue deficiencies, aesthetic nightmares, biologic and biomechanical**, in particular to avoid these complications before they occur. It will provide the basics of treatment planning concepts and the mechanism of bone loss and implant failure and how to deal with and prevent these problems. The treatment for implant diseases/complications include: chemotherapeutic agents, apically positioned flap with or without implantoplasty, implant surface detoxification, guided bone regeneration, soft tissue grafts, prosthetic contouring, implant removal as well as re-implantation. A decision tree of how to select and manage the peri-implantitis will also be presented.

Hands-on exercise will cover implant surface detoxification, soft tissue graft corrections (free soft tissue graft, sub-epithelial connective tissue graft, and acellular dermal matrix), apically positioned flap with implantoplasty and osseous surgery, guided bone regeneration as well as remove of failing and failed implants and broken screws. In addition, how to use the abutment or contour design to facilitate soft tissue development as well as improve overall aesthetics will also be practiced.

### Dr Hom-Lay Wang

- Collegiate Professor of Periodontics, Professor and Director of Graduate Periodontics at the University of Michigan.
- Published more than 22 book chapters/invited reviews and more than 300 scientific articles. Serves as Editor/ Associate editor for numerous journals
- Member of Leadership Development and Qualification Committee, Consultant of Scientific Oversight Committee for the American Academy of Periodontology
- Diplomate and a Former Co-Chair and Director of the American Board of Periodontology
- Diplomate and Former President and Board Director of the ICOI
- Fellow of American College of Dentists
- Received numerous awards for his contribution to dentistry

### Dr Marius Steigmann

- Adjunct Clinical Associate Professor at University of Michigan (Periodontics)
- Adjunct Assistant Professor of Maxillofacial Surgery at Boston University
- Adjunct Assistant Professor at University of Pennsylvania (Endodontics)
- Honorary Professor of the "Carol Davila" University Bucharest
- Visiting Professor University of Szeged Faculty of Dentistry
- Visiting Professor Department of Implantology in Temeschburg.
- Member of several associations (such as DGOI, FIZ, BDIZ and ICOI)
- Diplomate of the ICOI
- Director of the "Steigmann Institute" in Neckargemünd-Heidelberg Germany
- Dr. Steigmann lectures and publishes extensively and maintains a private practice in Neckargemünd Germany

## Learning Objectives:

- Recognise factors that contribute to implant complications
- Learn how to prevent future implant complications
- Learn how to properly use abutment or contour design to facilitate soft tissue development
- Know how to use decision tree to select proper treatment modality to manage implant complications
- Be able to manage peri-implantitis and maintain implant stability long-term
- Learn how to remove failed implant and broken implant screws
- Familiarise yourself with most common ways of managing implant complications today
