

LATEST ADVANCES IN SOFT TISSUE GRAFTING

AROUND TEETH AND DENTAL IMPLANTS, AND MANAGEMENT OF IMPLANT COMPLICATIONS

Series of lectures on soft tissue grafting in natural dentition and around dental implants, and management of implant biologic and esthetic complications. Hands-on surgical techniques for soft and hard tissue reconstruction

SPEAKER
Dr. Lorenzo Tavelli

SPEAKER
Dr. Maria-Elisa Galarraga

Lecture | 8 CDE
12 May 2024 • 8am - 6pm

Hands-on | 8 CDE
13 May 2024 • 8am - 6pm

Venue:

Pan Pacific Singapore
7 Raffles Boulevard, Marina Square, Singapore 039595

SILVER SPONSORS

Program Day 1: Series of lectures on soft tissue grafting in natural dentition and around dental implants, and management of implant biologic and esthetic complications.

8:00 am – 9:00 am
9:00 am – 10:00 am
10:00 am – 10:30 am
10.30 am – 11.30 am

11:30 am – 12:30 pm
12:30 pm – 1:30 pm
1:30 pm – 2:30 pm
2:30 pm – 3:30 pm
3:30 pm – 4:00 pm
4:00 pm – 5:00 pm
5:00 pm – 5:30 pm

Treatment of gingival recessions in natural dentition (Dr. Lorenzo Tavelli)

The Novel Tunneled Coronally Advanced Flap (Dr. Lorenzo Tavelli)

Coffee/Tea break

Peri-implant Soft tissue phenotype and its augmentation for enhancing health and esthetics (Dr. Lorenzo Tavelli)

Peri-implant disease. Understanding etiology and the-state-of-the-art treatment (Dr. Maria Elisa Galarraga-Vinueza)

Lunch Break

Advanced peri-implantitis cases. When to treat, when to remove and how to reconstruct the lost tissues (Dr. Maria Elisa Galarraga-Vinueza)

Implant esthetic complications. Prevention, diagnosis, and treatment approaches (Dr. Lorenzo Tavelli)

Coffee/Tea break

Implant esthetic complications. Advanced surgical techniques for challenging cases (Dr. Lorenzo Tavelli)

Q&A and Discussion (Dr. Tavelli and Dr. Galarraga-Vinueza)

Emphasis will be on diagnosis and treatment planning, management of complex cases and complications, interdisciplinary treatments, and soft and hard tissue regeneration for optimal anterior implant esthetics.

Program Day 2: Hands-on on surgical techniques for soft and hard tissue reconstruction

8:30 am – 10:00 am

10:00 am – 10:30 am
10:30 am – 12:30 am

12:30 pm – 1:30 pm
1:30 pm – 3:00 pm

3:00 pm – 3:30 pm
3:30 pm – 5:30 pm

Hands-on workshop – part 1

- The coronally advanced flap for the treatment of gingival recession
- Palatal harvesting techniques
- The Tunneled Coronally Advanced Flap (TCAF)

Coffee/Tea break

Hands-on workshop – part 2

- Keratinized mucosa augmentation at implant sites (Free and strip gingival graft)
- Biomaterials and soft tissue graft substitutes
- Soft tissue thickness augmentation at implant sites

Lunch Break

Hands-on workshop – part 3

- Non-regenerative approaches for the treatment of peri-implantitis
- Regenerative treatment of peri-implantitis

Coffee/Tea break

Hands-on workshop – part 4

- Treatment of implant esthetic complications with the prosthetic-surgical approach
- Vertical soft tissue augmentation with implant submersion

SPEAKER
Dr. Lorenzo Tavelli

Lorenzo Tavelli, DDS, MS, PhD is a full-time assistant professor and the director of the Postgraduate program in Periodontology at the Harvard School of Dental Medicine.

Dr. Tavelli graduated from the University of Milan and then completed his three-year residency in Periodontics and Master of Science at the University of Michigan. He is a diplomate of the American Board of Periodontology. Dr. Tavelli's main focus in clinical research and daily practice is microsurgical and minimally invasive soft tissue grafting procedures around teeth and dental implants, where he has been pioneering in the combined use of High Frequency Doppler Ultrasonography and wound healing biomarkers for assessing graft perfusion and the surgical outcomes. Dr. Tavelli has been extensively lecturing worldwide on these topics at the main scientific symposia. He has published more than 100 scholarly publications in the main international peer-reviewed journals while serving as an Associate Editor for Clinical Implant Dentistry and Related Research.

He was the recipients of several research awards, such as the 2023 American Academy of Periodontology (AAP) Earl Robinson Regeneration Award, the 2022 AAP Foundation Nevins Clinical Research Fellowship, the 2021 Goldman Clinical Research award from the Italian Society of Periodontology, and the 2020 AAP Balint Orban Research Award, among others.

SPEAKER
Dr. Maria-Elisa Galarraga

Maria Elisa Galarraga Vinuesa, DDS, MSc PhD, is full-time assistant professor at the Department of Prosthodontics, division of implant dentistry, at Tufts University, Boston-USA.

She was a visitor researcher at the Institute of Biomaterials at Friedrich-Alexander-Universität Erlangen-Nürnberg, Germany and currently she is a visitor researcher at Universidad de las Americas, Quito, Ecuador. Dr. Galarraga was recipient of the Osteology Foundation scholarship in 2019 and performed one year of research at the Oral Surgery Department of Goethe University, Frankfurt, Germany.

Dr. Galarraga has been the recipient of several international awards. She is currently a member of the research committee of the Iberoamerican Federation of Periodontology (FIPP), she is member of the expert council of Osteology Foundation, and she is currently part of the Best Evidence Consensus in the treatment of peri-implantitis by the American Academy of Periodontology and IADR. Dr. Galarraga is also Key Opinion Leader of Geistlich Pharma, South America. Dr. Galarraga is Ad hoc Reviewer of the Journal of Clinical Periodontology, Clinical Oral Investigations, Clinical Implant Dentistry and Related Research.

Dr. Galarraga's main fields of research are biomaterials development for bone regeneration applications and peri-implant disease histopathology, etiology and treatment. Dr. Galarraga is an international lecturer and has published numerous scholarly publications in the main international peer-reviewed journals. She has also co-authored several book chapters related to peri-implantitis treatment.

AROUND TEETH AND DENTAL IMPLANTS, AND MANAGEMENT OF IMPLANT COMPLICATIONS

FEES

Category	CGDP Members	Non-members
Normal 1 - 30 April 2024	S\$450	S\$600
Last chance rate 1 - 12 May 2024	S\$550	S\$700

HANDS-ON WORKSHOP

Limited for MEMBERS ONLY! Last 2 seats left!	S\$1,200
---	----------

Terms & Conditions:

Registration policy:

- Registration and payment via website only. Registration is on a first come first serve basis and will be valid only upon full payment. CGDP reserves the right to amend any part of the programme without giving prior notice and to cancel or postpone the programme, change the venue and date and time of the event.
- Participants must sign up for the main symposium in order to sign up for the workshop.
- Only current CGDP members will be entitled to member rates. For undergraduates attending the main symposium, you are required to submit a front copy of your matriculation card and bring the card along during registration for verification.

Refund policy:

- Cancellation must be made by email to info@cgdp.org.sg. Cancellation received before 12 March 2024 will be granted refund, less S\$300 administrative fee.
- There will be NO refunds for cancellation or non attendance after 12 April 2024.
